**STATUS INQUIRY**

Dear Sir:

More than seven (7) months have passed since I filed a petition to revive and more than six (6) months have passed since I filed a power of attorney on this application on August 7, 2007 and September 21, 2007, respectively. No communication has been received from the Patent and Trademark Office indicating acceptance of the power of attorney or decision on the petition to revive and I have not been able to access the application in PAIR. Please advise the undersigned the status of this application, when the power of attorney will be accepted, and when a decision on the petition should be expected. I do not want to miss any deadlines in this case due to failure to receive the communication from the Patent and Trademark Office.

Respectfully submitted,  
/JESSICA MONACHELLO/
